TOTAL AWARDS..... ARMY No..... NAME.....

WEARING OF RIBBONS

The order in which Orders, Decorations and Medals should be worn is shown in Standing Orders for Dress 1935, para 309. A copy of this pamphlet is available at each Command or Unit Headquarters.

Length of Ribbons—When medals and decorations are worn on the breast, the ribbon will be 1¼ inch in length unless the possession of clasps necessitates it being longer. When two or more medals and decorations are worn, they will be so arranged that the lower edges (or lowest point of a star) are in line. The lengths of all ribbons will be regulated by that of the decoration or medal which, including any clasp, is the longest. These instructions will apply equally to miniature medals and decorations.

(a) *When ribbons are worn, the following will be observed:—*

(i) The ribbons will be ¾ inch in length.

(ii) Immediately following the ribbons awarded for campaigns between 1918 and 1939 will be worn the ribbons for the 1939/45 in the following order:—

The 1939/45 Star, the Atlantic Star, the Air Crew Europe Star, the Africa Star, the Pacific Star, the Burma Star, the Italy Star, the France and Germany Star, the Defence Medal, the War Medal and the Australia Service Medal.

(iii) Ribbons will be worn in rows of four above the left breast pocket, or if there is no such pocket, in a corresponding position except as in sub-para (b) below. The gap between rows will be ½ inch. Ribbons will be worn in the order shown in sub-para (ii) above, with the ribbons of the senior award in each row placed furthest from the left shoulder, and by rows from top to bottom. When the number of ribbons worn is insufficient to make up complete rows the short row is to be placed centrally above.

(iv) When worn with medal ribbons, Air Crew badges to be worn centrally above the top row. When this results in the badge being partly obscured by the lapel or collar, it is to be moved towards the left shoulder to display as much of the badge as the available space allows.

(b) The ribbons of medals awarded by the Royal Humane Society or by the Royal National Lifeboat Institutions will, when authorized, be worn on the right breast in a position corresponding with the bottom row of ribbons of war medals.

DECORATIONS

Irrespective of the time spent in qualifying operational areas, the award of an honour, decoration, mention in despatches or commendation for brave conduct, qualifies the recipient for the award of the 1939/45 Star, providing the service for which the award was made qualified the recipient for the award of a Campaign Star.

The award of an honour, decoration, etc, for service in Palestine would not qualify the recipient for the 1939/45 Star as Palestine was not an operational area and service there was not qualifying service for a Campaign Star. It would, however, qualify the recipient for the Defence Medal irrespective of the time spent in areas qualifying for this award.

VISITS, JOURNEYS AND INSPECTIONS

These will not be a qualification for campaign stars or service towards the 1939/45 Star unless they amount to thirty (30) days or more, and were officially approved by the Command concerned.

TIME SPENT AS A PRISONER OF WAR

Time spent as prisoner of war in consequence of capture in operations may be counted towards the qualifying period for the 1939/45 Star.

Times spent as PW, including escapees or evaders, may receive consideration for the award of the appropriate Campaign Star, providing an active part was taken in operations against the enemy. Each case requires consideration and must be certified by the senior officer present when operational service was performed.

APPLICATIONS FOR AWARDS NOT GRANTED

If you wish to apply for any award to which you consider you are entitled but which has not been granted, please forward full details of the service which you claim entitles you to the award.
