- (1) Application forms received by Recruiting Officers will not be handed back again to applicants but will be passed direct to the Medical Practitioner, who will similarly return them to the Recruiting Officer, who will then forward them by post to the Officer in Charge of the Central Recruiting Depot to which recruits are instructed by them to Report.
- (2) If an Applicant who has been rejected desires a copy of this certificate, it must be completed in Cuplicate at the time of Medical Examination, and the word "original" or "duplicate," as the case may be, will-appear on the top of the respective forms. Both copies will be forwarded to the Officer in Charge of the Central Recruiting Depot, where the duplicate will be impressed with the official stamp and then returned to the applicant.
- (3) Copies will NOT be made of any certificate of acceptance. The word "Duplicate" will be struck out of such certificates, and they will be sent to the Officer in Charge of the Central Recruiting Depot by post.
- (4) Names of accepted applicants who do not report at Central Recruiting Depot within the prescribed time will be forwarded to the Local Recruiting Officer for information.
- (5) When alternatives are shown on the front of the form, such as:

 Fit Unfit Son Ward Widower out the words which are not applicable.

 Original Duplicate strike
- (6) Only those persons who fulfil the requirements in all other respects will be examined regarding medical fitness. These requirements may be ascertained by reference to daily newspapers and official posters.
- (7) The Central Recruiting Depot, to which accepted applicants from various places will be sent for final medical examination, will be determined by District Commandants. Recruiting Officers at outlying places will require to issue clear instructions to such applicants, informing them where and when to report, and will forward the application forms in time to insure that they will be in the hands of the Officer in Charge of the Central Recruiting Depot when the recruit reports for enlistment,
