Dear Sir,

I would like you to look up your records concerning the 1st World War, -- 1914-1918, and make investigations concerning my late brother, Pritchard Llewelyn Morgan of Market Street, Wollongong.

He was a Private, in the 55th Infantry Battalion of the Australian Imperial Force, and his Regimental Number, was 3599. He was ~~he~~ killed while on active service in France and was buried in the Downs, Communal British Cemetery, near Corbie, France.

I am his eldest sister, Mrs. Edith Hayes, ne Morgan and his next of kin. Could you also give me a copy of his last Will and Testament?

Please find enclosed a stamped addressed envelope for your earliest reply, which I would greatly appreciate.

C E M E T E R Y R E G I S T E R S.

The Register recording the names and particulars of those members of the British Expeditionary Forces who died in His Majesty's service during the Great War and are buried in QUERRIEU BRITISH CEMETERY, PONT-NOUVELLE COMMUNAL CEMETERY and DAGURS COMMUNAL CEMETERY AND EXTENSION (FRANCE 116 to 119) has been prepared for publication. It will be the final official record of the War Graves in these Cemeteries and copies will be deposited in all the Statutory Libraries of the British Empire for permanent custody.

The Register contains a short history of the Cemeteries and directions for reaching them. A Map shows the position of the Cemeteries in relation to the surrounding country and plans show the location of the graves.

The names, ranks and other particulars of the Dead have been compiled from information furnished by the Military Record Offices and the next-of-kin. In all cases the relatives have been asked to supply the personal information they wish to appear in the Register, and where possible this has been given in their actual words.

While it is felt that the relatives of the fallen would not wish that these records should be offered for open sale, it is thought that some may be glad to purchase, at the cost price, a copy (or copies) of Registers in which they have a special interest. The number to be printed will depend upon the demand and there will be very few copies reserved to meet future calls. If, however, you wish to purchase this Register, will you kindly complete the form below and forward it as soon as possible with a remittance by **MONEY** ~~XXXXXXXXXXXX~~ Order of three shillings for each copy you require; these copies will then be ordered from the printer and forwarded to you **POST FREE** on publication.

DISPATCH

Dear Sir,

Upon enlistment the late No. 3599 Private P.L. Morgan, 55th Battalion, recorded you as next of kin, but it is noted from the file that his father is living. As I desire to dispose of War Medals etc. issuable on account of the abovementioned late soldier's service according to the instructions under the "Deceased Soldiers' Estates Act 1918" which prescribe that these items must go to next of kin in the following order of relationship unless good and sufficient reasons for varying the procedure are stated for the consideration of the Minister:-

"..father, mother, eldest surviving brother,..."

I shall be glad if you will advise me whether there are any reasons why the War Medals (other than the 1914/15 Star which has already been forwarded to the Commandant, Victoria Barracks, Paddington, for presentation to Mr. J. Morgan) should not go to deceased father. Any statement you may care to make which will affect their disposal should be embodied in the form of a Statutory Declaration signed before a Justice of the Peace.

Thanking you in anticipation of the favour of an early reply - I am holding the matter open for 21 days from this date.

Yours faithfully,
