Sir

I am informed by my husband that his discharge has been turned down, but has been ~~reconsidered~~ recommended for reconsideration, If he does not get his discharge here I shall take the case up and want a guarantee of support from the A I 4 as we have spent all our available cash on our home, his job is also waiting for him here, and as he has no relatives or ties in Australia

I think his case is one which
should meet with your approval
for discharge, he also has two
children dependant on him and
I think his place is home
here with his wife and children
especially as he is a native of
Bristol his people being near to.
hoping this will meet with your
approval
